A MAYSVILLE MAN'S

Domestic Infidelity Aired in Court in New York City

New York American and Journal.

"There is apparently little danger of your becoming a public charge, madam," remarked Magistrate Barlow yesterday to Mrs. Ida H. Honan, a young woman, dressed in the latest mode, and admitted to be a part owner of the Lorraine apartment house at Fifth avenue and Forty-fifth street and granddaughter of Matthew Byrnes, the late millionaire builder.

Mrs. Honan appeared against her husband, arrested the night before on a charge of having failed to support her. Dr. William Francis Honan, the husband, was represented by Bartow S. Weeks, and stated that he sent from \$100 to \$150 to his wife each month. Dr. Honan lives in the Hotel Regent at Seventieth street and Broadway, and has been separated from his wife for nearly a year.

Mrs. Honan said that she had been married seven years and had always supported herself. For the past few years she said she had received practically nothing from her husband. She admitted that he had been paying her \$100 a month, but this, she said, barely served to pay off a debt which they had contracted early in their married life. She had indorsed notes of her husband for large amounts, she said, and only the generosity of the creditor saved her personal income from being attacked.

This income, she admitted, amounted to \$250 a month.

Bartow S. Weeks, for Dr. Honan, said that his client was willing to provide a home for Mrs. Honan, but that she would not live with him. Mrs. Honan admitted that her husband had offered her a home, but said that she was afraid to live with him, as she feared he would do her personal harm. She declared that on one occasion he had threatened to "cut her heart out" with a razor.

The case was dismissed.

Last night Mrs. Honan said to a reporter that she had not lived with her husband since September, 1903.

"Dr. Honan was a poor man when I married him. We went in debt rapidly the first few years and each year I had to indorse notes of \$1,000 or \$1,500 in order to pay our expenses. Then my husband began to ill-treat me. Once he threatened me with a hairpin, once with a paper cutter and once with a razor. I will never live with him again."

WILL VISIT NO. 13

Department Commander Bausmith to Be Here Tomorrow Night

W. T. Bausmith, Department Commander of Kentucky G. A. R., will visit Joseph Heiser Post No. 13 Saturday night. It is not often that a Post is honored with the presence of such a distinguished guest, and the members certainly ought to appreciate the compliment by all the old Vets turning out and giving him a rousing reception.

The regular meeting will be very short in order to give all old soldiers an opportunity to meet the Department Commander and shake his hand. Turn out, boys, and give him a rousing reception.

HIGHEST PRAISE.

Some Maysville Citizens Grow Enthusiastic on the Subject.

The praise of the public is merit's just reward. Nothing in modern times has received the praises accorded "The Little Conqueror." Of some kinds of praise we are skeptical. We doubt the praise of strangers. The highest praise for Maysville public is hearty expression from Maysville people. Doan's Kidney Pills are indorsed in Maysville. No better proof of merit can be had. Here's a case of it. We have plenty more like it.

James D. Tolle, clerk at Wood Bros' meat market, and living at 117 Short street, Maysville, Ky., says:

"I was troubled a great deal for some time with constant heavy pain in the small of my back, and over the kidneys. At times it was so bad that I could not stoop to sit down or get up without much difficulty. The action of the kidneys was noticeably weakened and passages of the secretions were too frequent, and there was a scalding burning sensation at times. Hearing of Doan's Kidney Pills I began using them and finding great benefit, continued the treatment until I had taken one or two boxes more and was thoroughly cured of all my troubles. I have never had the least bit of suffering from my back or kidneys since. I give all the credit to Doan's Kidney Pills and feel justified in strongly recommending them to others."

Plenty more proof like this from Maysville people. Call at J. James Wood & Son's drug store and ask what their customers report.

A LITTLE OUTCAST.

One of the big successes of the past two seasons will be seen at the Washington Opera-house on Tuesday, February 7th. The company presenting the play is one of the very best ever seen in melodrama. One feature that should prove particularly attractive to the theater-going public in the smaller cities is this we positively guarantee special scenery and mechanical effects at all performances. The two children in the play will be impersonated by Little Edna and Master Bobbie Moore, two of the cleverest juvenile artists in the dramatic profession. Seats on sale at 1 p. m. Saturday at Ray's.

COFFEE COFFEE COFFEE

I desire to call my friends and patrons' particular attention to my sup. Fair stock of Bulk Coffees. All I can bear my best coffee customers say on drinking these famous brands, D. One and Mocha and Java, is, "Fill my cup again, for I never before felt the glow that gladdens my heart." Since then I often feel round.

In this coffee alone no deception is found.

Remember, it gives me much pleasure to give my patrons a high-grade article in this line alone, as well as being able to give them all of life's necessities. I am confident you will be my master. Pure and wholesome food.

Hope you will call and give me a trial, I beg to remain yours truly,

BE REASONABLE, BOYS

The Center of a Busy City is Not the Place For Coasting

Coasting is the joy of a boy's life, and an exhilarating and healthful sport at that, too.

No one would deny them the pleasure there is in it.

There is reason in all things, however, and there is no good reason why they will persist—after being warned repeatedly by the police—in using Market street as a track, when by passing on out Fourth they would avoid the dangers of running into passing vehicles and streetcars in the much-traveled center of the city and thereby taking chances of being killed or maimed for life, as well as endangering the life and limb of pedestrians crossing from one to the other side of the street.

Wednesday evening Miss Dorsey was severely hurt by being struck and knocked down, and the same accident befell Mrs. Harry Barkley and Miss Watson yesterday afternoon as they were passing from the East to the West side of Market.

Fortunately neither of the two ladies were seriously injured. Stop it, boys.

Saturday is Pension Day. Take your vouchers to G. A. R. Hall, Cox Building; they will be properly made out and mailed. The proceeds go into the Post Treasury.

THE LEDGER has been asked to request the streetcar management to arrange a car schedule for the accommodation of East Enders attending the big meeting at night.

Tired, Nervous Mothers

Make Unhappy Homes—Their Condition Irritates Both Husband and Children—How Thousands of Mothers Have Been Saved From Nervous Prostration and Made Strong and Well.

Mrs. Chester Curry

Mrs. Chas. F. Brown

Mrs. Chester Curry, Leader of the Ladies' Symphony Orchestra, 42 Saratoga Street, East Boston, Mass., writes:

Dear Mrs. Pinkham:—

"For eight years I was troubled with extreme nervousness and hysteria, brought on by irritable. I could neither enjoy life nor sleep nights; I was very irritable, nervous and despondent.

"Lydia E. Pinkham's Vegetable Compound was recommended and proved to be the only remedy that helped me. I have daily improved in health until I am now strong and well, and all nervousness has disappeared."

Mrs. Charles F. Brown, Vice-President of the Mothers' Club, 21 Cedar Terrace, Hot Springs, Ark., writes:

Dear Mrs. Pinkham:—

"I suffered through nine years of miserable existence, worn out with pain and nervousness, until it seemed as though I should fly. I then noticed a statement of a woman troubled as I was, and the wonderful results she derived from Lydia E. Pinkham's Vegetable Compound, I decided to try it. I did so, and at the end of three months I was a different woman. My nervousness was all gone. I was no longer irritable, and my husband fell in love with me all over again."

Women should remember that Lydia E. Pinkham's Vegetable Compound is the medicine that holds the record for the greatest number of actual cures of female ills, and take no substitute.

Free Advice to Women.

Mrs. Pinkham, Lynn, Mass., invites all sick women to her for advice. Mrs. Pinkham's vast experience with female troubles enables her to tell you just what is best for you, and she will charge you nothing for her advice.

TOBACCO FAIR PREMIUMS

Let Every Farmer in Mason County Get Samples Ready

The sixth annual Tobacco and Corn Fair will be held in this city on February 22d, 1905, Washington's Birthday.

It will be bigger and better than ever. Eminent speakers will deliver short addresses.

Samples of tobacco must contain twelve hands.

Exhibitors must state that sample was grown by him or on his land.

All samples must be shown in the class to which they belong.

They must be in the Courthouse at Maysville not later than 11 o'clock Wednesday, February 22d, 1905.

The Pittsburgh and Cincinnati Packet Company will not send out a Mardi Gras boat this year.

Shore ice at Cincinnati is piled 25 feet high in some places, caused by the steady decline of the river.

Captain William Bay, the wealthiest steamboatman in the Ohio valley, is going to build a fast sidewheel boat for the Cincinnati and Huntington trade.

Mrs. Mary B. Green, wife of Captain Gordon Green, is not the only woman pilot who has piloted the waters of the Ohio holding papers of a Master Pilot. Miss Collie French was admitted years ago to the association, having served under her father for fifteen years.

Superintendent Charles J. Mengos and Captain T. J. Hatfield will test the feasibility of gorging the Ohio river at Coney Island, thereby preventing the Madison (Ind.) gorges from being added to and extending up into the Cincinnati harbor. Rivermen visited the narrow channel at Coney Island on the Relief Wednesday, and if the plan can be carried out harbor boats will be put to work, causing big ice floes to jam at the dyke. Ice there is already piled high and extends two-thirds of the way across the river. The success of the scheme will give Cincinnati a clear harbor.

SERVICES APPRECIATED

Handsome Increase in the Salary of Rev. E. L. Powell

As a token of their appreciation of his distinguished services, the Board of Officers of the First Christian Church of Louisville has increased the salary of the Pastor, the Rev. Dr. E. L. Powell, from \$3,000 to \$5,000 a year.

Dr. Powell's excellent work has made of this Church one of the largest in the denomination. For some time the raising of his salary has been agitated by the people of the Church, and it has met with the unanimous approval of the officers.

Dr. Powell, who was formerly Pastor of the Christian Church in this city, has been Pastor of the Louisville Church a little more than seventeen years.

The City of Louisville is scheduled to leave Cincinnati February 28th on a Mardi Gras trip.

At the Washington Opera-house Sunday afternoon the Rev. James B. Ely of Philadelphia will make an address to men, taking as his subject "Nothing Hind."

AFTER SICKNESS

VINOL IS A WONDERFUL TONIC AND STRENGTHENER.

John C. Pecor Refunds Money in All Cases Where It Fails to Give Satisfaction.

"During the past few months there has been a great deal of sickness of one kind and another in this vicinity," said Mr. Pecor, "and I want to say to the people of Maysville that the one thing to aid recovery after sickness is to give the patient a blood building and strength restoring tonic, one that will give strength to every organ in the body.

"Now," continued Mr. Pecor, "I don't believe there is another remedy in the country equal to our delicious cod liver oil preparation, Vinol, for making pure, rich, red blood and building up strength. I say this from an intimate knowledge of almost every medicine on the market, and after considering what Vinol is and has done.

"Vinol contains every one of the body-building, medicinal elements of cod liver oil, without one drop of oil to upset the stomach and retard its work, and this with organic iron, which is a useful constituent for the blood, dissolved in a delicious table wine, makes Vinol. It acts directly on the stomach, creates a healthy appetite, and enables the digestive organs to obtain the necessary elements from the food eaten to make rich, red blood, and healthy flesh and muscle tissue, and create strength, and you know what you are taking."

Continued Mr. Pecor, "We have a good many letters like the following: Mr. A. M. Manser of Poughkeepsie, N. Y., writes: 'A severe fever left me in a very weak condition, and no matter what I took I could not seem to get any strength, until through a friend I learned of Vinol. Two bottles worked wonders for me, so quickly did it restore my health and strength, and I am fast gaining in weight. Vinol is a wonderful strength creator.'

"In the strongest manner we unhesitatingly endorse and guarantee Vinol to increase the appetite, cure stomach troubles, give strength and renewed vitality to the aged, build up the run down, tired and debilitated and restore health to the convalescent, or we will return every dollar paid us for it." JOHN C. PECOR, Druggist.

They still go at 15c, 20c and 25c. No money in them to me at the prices, but they are snap for you. FINEST TEA—TEA—TEA—directly from the tea-rooms. I have the best in Maysville, either for tea or quantity. PERFECTLY FLOUR always a given satisfaction. If you want to buy it, buy it all the time. I don't buy any other brand. You know I would not sell it and recommend it for sixteen years continuously if it was not what I claim for it—always the best. Those extra fine fall catch MACKEREL are going like hot cakes just because they are what I recommend them to be—the finest that can be bought. Remember, I guarantee everything I sell to just as recommended. Mondays, February 6th, 1905,

at 11 o'clock a. m., at the Courthouse door in Maysville, Ky., proceed to sell at public auction to the highest bidder, on a credit of six and twelve months, the following real property, to wit: That certain tract of land conveyed by Willard B. Burgess, to Elmer Runnells, on the 27th, 1878, to Elmer Runnells, to Elmer Runnells, to Elmer Runnells, to D. C. B. Burgess, of Mason County, Kentucky, by a deed which he executed acknowledged according to law, and which was recorded in deed book 78, page 533, in the office of the Clerk of the Mason County Court, Kentucky, and which land is described as follows: The tract of above described land, together with the dwelling house and other improvements thereon where said Burgess then lived, living on the West side of the Upper Blue Lick road in Mason County, Kentucky, and bounded by the lots of Richard and Gathier, James G. FEARIS.

Snow No. 14 fell here Sunday. Thermometer 5° below zero Monday morning. This is the best sleighing season for this winter so far.

The cold weather is bad on sheep and young lambs. Lambs die quickly.

Frank Himes will go West next month to grow up with the country.

Coal is getting low and none in the yards and that means higher price for coal here.

Candidates are now putting in good time shaking hands. Boys, you can't all be elected, so don't get mad and snub some intelligent voter because he failed to support you. You may want to be a candidate again.

A few days ago H. P. Adams of near Cottageville shot Thomas Franklin pretty badly in the breast and head, with a gun loaded with slugs and shot, taking him to be John Gill, Jr., with whom he heretofore had some trouble.

Several from here attended the funeral sermon of Mrs. George M. Tolle Sunday. She died in the Lexington Asylum last week. Remains were interred at East Fork Cemetery Sunday. Funeral sermon by Rev. Sturgel of the M. E. Church.

Richard Himes, a former resident of Lewis county, but now of South Dakota, is visiting relatives here. He assisted in building the World's Fair and went from St. Louis to South Dakota and took a land claim. He will return in time to work his farm this season. Bully for Dick.

That was a sad accident that took Albert Henderson off from his family and friends by being run over and killed—cut to pieces—by a switch engine near the Little Miami Depot, Cincinnati, last Friday morning at 6 o'clock. Henderson moved from this place to Cincinnati some three or four years ago and worked there, renting his farm here at a good income. His funeral was preached there at his home, and his remains were brought here and interred at Mt. Olivet last Sunday. He leaves a wife and several children.

The Court of Appeals reversed the suit of Lawson v. Lightfoot, from Fleming county.

The remains of G. W. Henry, who died in the Nicholas County Infirmary, were interred in the Millersburg Cemetery. During the cholera epidemic in Millersburg in 1873, Mr. Henry, who was considered one of the most capable pharmacists in the state, together with his noble wife, spent days and nights in unceasing labor among the plague-stricken victims, both white and colored, attending to their needs, bodily and spiritual, when almost the entire population had decamped.
